

Take the Time to learn, Time to teach Survey.

Dear New Mexico Educator,

Please take a few minutes to make your voice heard by taking the **Time to Learn** survey. It is confidential, only takes 12 minutes, and can be completed on a smartphone or a computer. Remember to complete the survey on your own time.

https://www.surveymonkey.com/r/NEA-NM_Time2Learn_Survey

This survey was created by NM educators so we can document the impact of high-stakes testing and teacher evaluations in our classrooms. If you would like to share your specific story, simply answer yes to questions #15 and/or #29 and we'll be in touch with you.

We'll release the completed results this winter as a white paper. In the meantime, please consider participating in other **Time to Learn** activities in your area. If you complete the attached **Time to Learn** Commitment Card, we will send you periodic updates and opportunities to get involved.

Again, thank you for joining educators, parents, and community members who are standing up for less testing and more learning!

Sincerely,

Amy Simpson & Russell Clemons
