Power In Numbers Is What Gets Things Done!

TOGETHER, We Are Strong!

The Clerical Services Quality Workforce in our public schools does not occur by accident. It comes together when school district Clerical Services ESP (Education Support Professionals) are included and recognized as part of the school district's basic mission -- enhancing student achievement.

With your membership, NEA-NM works hard to achieve the recognition and compensation you deserve. This includes:

- Efforts for higher pay and benefits;
- A voice in job descriptions, evaluations, and work load; and
- Appropriate ongoing in-service training programs.

To join, or for more information, contact the Association Rep in your building, your NEA-NM Local President or visit: www.nea-nm.org.
