# Public School Drivers: Building A Quality Workforce

***There Is Nothing Easy About  
Working In A Public School Today.  
If It Were Easy,  
You Could Do It Alone!***

*Great Public Schools Begin With Us!*

***Members Are In This TOGETHER!***

- Putting Kids First • Promoting Professional Excellence
- Improving the Well-Being of School Employees

The driver quality workforce in our public schools does not occur by accident. This workforce comes together when public school drivers are included and recognized as part of the school district's mission and goals — enhancing student achievement.

With your membership, NEA-NM works hard to achieve the recognition and compensation you deserve. This includes:

- Efforts for higher pay;
- Fair Evaluations;
- Appropriate ongoing in-service training programs; and
- Fair access to routes, bidding, and seniority.
