NEA's Read Across America ***The lyrics to "Leer" ("To Read")***

"Leer"

Este gato engorrado
Me trae todo emocionado
 Por leer
Cuentos serios y de locura
Del pasado y vida futura
 Para leer
Tengo que hallar el tiempo
Y disfrutar dese momento
 De leer
Yo tengo mucha razon
De promover la educacion
 Aprendiendo a leer
 Chorus
 Y leer, leer, le-er
Muchos libros otra vez
Este Marzo es el mes
 Para leer, para leer,
Quiero leer, leer, le-er
 (Repeat Chorus)
Este Marzo es el mes
 Para leer, para leer
Quiero leer, leer, le-er

"To Read"

There's this wise, sombreroed feline,
That's got me going in a bee line
 For a place to read
Books of fact and books of history
Fairy tales and books of mystery
 So we can read
 Its up to me to find the hour
Letting words release their power
 When I read
And I think it stands to reason
That every day is in the season
 When we must read
 Chorus
And to read, to read, to read
So Doctor Seuss we celebrate
And March second is the date
 For us to read, for us to read
For us to read, to read, to read
