NEA-NM Members,

We recently shared with you a document titled *NEA-NM Addressing School Re-Entry During the COVID 19 Public Health Crisis: Amplifying the Voices of Education Staff in the Debate on School Re-Opening*. Thousands of New Mexico educators responded to survey questions around the state. There were five recommendations that NEA-NM made based on survey results. We would like for you to let us know how strongly you support the recommendations, rate in line with the intensity of your feelings. Realize that it is entirely possible to have very intense feelings about all of them.

I am super excited to introduce you to our Executive Director, Dr. Earl Wiman. Dr. Wiman comes to NEA-NM with a wide range of experience that will come in useful in his new position. Send Congratulations to ewiman@neanm.org and learn more about Dr. Wiman.

Voting by Mail in the Upcoming Election

NEA NM members must vote to elect pro-public education candidates in the upcoming election! All members who plan to vote absentee should request their ballots now to avoid any delays caused by a surge in vote by mail. Some counties will be sending absentee ballot applications to all registered voters.
